

Adopt a Park Volunteers - 2017

Happy Spring! It is time once again for Adopt-A-Park clean up! Our first clean up date will be Saturday April 29th at 9:00 a.m.

Welcome to any new volunteers and glad to have you back to all returning volunteers.

Resurrection Parish adopted Eastwood Park in 1999. We are expected to pick up trash and big sticks that are lying around the grounds which helps the Park Department when they mow the grounds. From past experience, this usually takes approximately one hour or less. This is a team effort and we clean the park twice per month starting in April through October. The dates for the park clean up are listed at the end of this note.

I realize people are busy and you may not be able to make every date. This is a team effort and everyone's help is greatly appreciated whenever it can be given. If you cannot make any of the dates, you are welcome to stop out to the park at your convenience and pick up.

Please feel free to recruit other volunteers and share this information with others. If you have any questions/comments/suggestions, these can be directed to Eileen King at 288-4844.

A few tips:

- A 5-gallon pail with plastic trash bag inside works well. You can throw away the bag and have a clean pail for the next time.
- It is best to have garden/rubber gloves and you may find a pick-up tool beneficial, as some caution is needed when picking up items.
- A garden rack and shovel work best when trying to clean up the cigarette butts from the parking lot.
- There is a playground for the smaller children. This can also be great service project for those in Confirmation classes.

Clean-up dates:

Saturday April 29 9:00 AM

Saturday May 6 9:00 AM

Saturday May 20 9:00 AM

Saturday June 3 9:00 AM

Saturday June 17 9:00 AM

Saturday July 8 9:00 AM

Saturday July 22 9:00 AM

Saturday August 5 9:00 AM

Saturday August 19 9:00 AM

Saturday September 9:00 AM

Saturday October 7 9:00 AM

Saturday October 21 9:00 AM

We meet at Eastwood Park on these dates. It works best if one group starts at the east end by the playground equipment and another group at the west end by the softball/baseball field and we work towards each other.

Thank you again for volunteering and I look forward to seeing you at Eastwood Park.
