**Anointing of the Sick.** World Day of the Sick falls on Tuesday, February 11. Over the last couple of years, we have offered the Anointing of the Sick during Mass on the Sunday closest to World Day of the Sick. We will be offering something different this year. With the change in the Mass schedule, we now have more time between Sunday Masses. Thus, we will offer the Sacrament of the Anointing of the Sick at all the weekend Masses of February 8 and 9 (not just one Mass as in the past).

In the Sacrament of the Anointing of the Sick, there are two essential part: laying of hands and anointing of the forehead and hands. The intent in the laying of hands is to comfort the sick person. It symbolizes the power of God entering the sick person. The anointing is with the Oil of the Infirm.

**Who can be anointed?** Paragraph 1514 of the Catechism of the Catholic Church reads, "The anointing of the sick is not a sacrament for those only who are at the point of death. Hence, as soon as anyone of the faithful begins to be in danger of death from sickness or old age, the fitting time for him to receive this sacrament has certainly arrived." Paragraph 1515 continues, "If a sick person who received the anointing recovers his health, he can in the case of another grave illness receive the sacrament again. If during the same illness the person's condition becomes more serious, the sacrament may be repeated. It is fitting to receive the Anointing of the Sick just prior to a serious operation. The same holds for the elderly whose frailty becomes more pronounced."

**What grace is received?** Paragraph 1532 states the effects; the uniting of the sick person to the passion of Christ, for his own good and that of the whole Church; the strengthening, peace, and courage to endure in a Christian manner the sufferings of illness or old age; the forgiveness of sins, if the sick person was not able to obtain it through the sacrament of Penance; the restoration of health, if it is conducive to the salvation of the soul; the preparation for passing over to eternal life.

This is an opportunity for people. If so inclined, celebrate the sacrament and know of the prayers of God's people.

God's blessings! Father Peter Schuster, pastor

## Musical Musings from Joy

Music & Choral Director &  
Coordinator of Liturgy  
choirdirector@rescathroch.org

This weekend, we celebrate the Feast of the Presentation of the Lord rather than the 4th Sunday in Ordinary Time. What exactly are the origins of this Feast? Why is it so important that we are replacing the regular Sunday Mass with its celebration?

Franciscan Media have put together an apt summary of what this special day is all about:

"At the end of the fourth century, a woman named Etheria made a pilgrimage to Jerusalem. Her journal, discovered in 1887, gives an unprecedented glimpse of liturgical life there. Among the celebrations she describes is the Epiphany, the observance of Christ's birth, and the gala procession in honor of his Presentation in the Temple 40 days later. Under the Mosaic Law, a woman was ritually 'unclean' for 40 days after childbirth, when she was to present herself to the priests and offer sacrifice—her 'purification.' Contact with anyone who had brushed against mystery—birth or death—excluded a person from Jewish worship. This feast emphasizes Jesus' first appearance in the Temple more than Mary's purification.

The observance spread throughout the Western Church in the fifth and sixth centuries. Because the Church in the West celebrated Jesus' birth on December 25, the Presentation was moved to February 2, 40 days after Christmas.

At the beginning of the eighth century, Pope Sergius inaugurated a candlelight procession; at the end of the same century the blessing and distribution of candles which continues to this day became part of the celebration, giving the feast its popular name: Candlemas."<sup>1</sup>

This is why we begin Mass this weekend by lighting individual candles and why the Feast of St. Blaise on Monday is also apropos. (Come to 8:30am Mass for your throat blessing with crossed candles!) Also, can you believe it is already 40 days after Christmas?!

Here comes Lent!

**First Communion:** All families with a child preparing for their First Communion are starting chapter 2 together in the Eucharist workbook. If you missed the parent meeting, need your child's folder, or have any questions, please contact me this week.

**Virtues in Practice:** Our February virtue is prudence and our saints are St. John Neumann and St. Junipero Serra. Prudence is defined as thinking about what is best to do or making good decisions in specific circumstances. Prudence helps us to decide what is best to do in a certain situation. It is one of the four cardinal virtues because other virtues depend on prudence: if you do something that is good, but you do it in the wrong way, or at the wrong time or place, it is not an act of virtue. Saint Junipero Serra was born in Spain and traveled thousands of miles across the ocean to what is now California. He founded nine missions for Native Americans. He helped the people learn to build their own homes, grow crops, herd cattle, and spin wool for garments, all the while teaching them the Catholic faith. Some of the missions he founded in California such as San Diego, San Francisco, and Santa Clara are large cities today. St. Junipero Serra, help us to use prudence in making choices. St. Junipero, pray for us. Amen.

News from Sheila, Birth-KG; Grades 6-12, Children and Youth Ministry, [dresscm@rescathroch.org](mailto:dresscm@rescathroch.org) or 288-5528, x 101

Youth grades 6-8 had a fun and faith-filled evening on Saturday, January 25th at the Pax Christi Youth Center for Winter Chill. Students listened to personal testimony, made fleece blankets for those in need, and decorated boxes for Operation Hometown Gratitude. An hour of Adoration with praise and worship music followed by inflatables and a dance party ended the evening.

Thank you Eric Smith, Ava Robertson, and Elaina Robertson for volunteering as youth leaders.!
