The Wisdom of Fulton Sheen. I have been reading a book entitled The Wisdom of Fulton Sheen. The book shares a thread of Bishop Sheen's wisdom for each day of the year. In the weeks ahead, I would like to share some of his wisdom. May 10 – "Our happiest times are those in which we forget ourselves, usually in being kind to someone else. That tiny moment of self-abdication is an act of true humility: the man who loses himself finds himself and finds his happiness."

Till next week! Father Peter Schuster

Deacon Book Study "The Bible is a Catholic book" by Jimmy Akin

Ever wonder about the Bible? Have lingering questions about the Bible? Feel like you were never catechized about the Bible? Why the Bible? Are we supposed to read the Bible? Who put it together? How was it written?

These questions, along with many other are what we will be reading about and discussing in the book study of "The Bible is a Catholic book", by author and theologian Jimmy Akin. He looks at the history of the Bible, the historicity of the Bible and the ways the bible can be read.

Starting Sunday, October 9th we will meet after the 8:30 am Mass for our book study, "The Bible is a Catholic book." All are welcome. We will start with an introduction to the Bible. Then in following months we will delve into the meat of the book and see how the Bible developed through history and the significance of these developments over time. The books will be available at the first meeting.

We will be using "The Bible is a Catholic book" to help us come to a deeper understanding of the Bible. My hope is this will give us more confidence to read the Bible, to grow in faith and to take our faith home and into the world. Perhaps even, to read the Bible (gasp) and participate in the study of the Bible with others and share our faith with family, friends and others.

Feel free to come and get a fresh start on the Bible with a new perspective of just how we got the Word of God handed to us over time.

On Thursdays, at 9:15 am, there will be a weekly Bible Study on the upcoming Sunday Mass Readings in Room D/E led by Tracy and Donna Smith.

The "Mass Readings Explained" started with the desire to help people better prepare for Sunday Mass. This is a weekly Video Bible Study with Dr. Brant Pitre focusing on the upcoming Sunday Mass readings.

Dr. Brant Pitre is an American Catholic theologian and layman who serves as professor of Sacred Scripture at Notre Dame Seminary in New Orleans, La. The weekly video is an in-depth Bible study on the Gospel reading, connecting the Gospel with the Old Testament reading and Responsorial Psalm. Hear Old and New Testament connections like never before every single week.

There is no fee, nor signup – you are welcome to attend any session – This is not a Bible Study that you need to read and prepare before coming to the sessions. If you would like to watch a preview of the upcoming week, you can check them out at <https://catholicproductions.com/blogs/mass-readings-explained-year-c>. Any questions, contact the office at 507 288 5528.

THROUGH MY TIME SERVING GOD

through the Catholic Church, I've come to realize something when teaching or talking about the gift of life: there are many aspects of it that we don't personally experience or talk about much, so we don't take the time we should to understand it fully. Since most of us don't experience the death of a loved one until we're much older, for instance, most of us don't think about the end of life, much less talk about it, for years. On the opposite end of the spectrum, how many of us think about new life when it isn't something we are anxiously awaiting in our future?

I can honestly say that while I've always believed in God's word that life is sacred and deserving of rights in all its stages, including conception, I never fully understood the gravity of that truth until one night with my Catholic young adult group in Arizona. To prepare ourselves to join the city wide pro-life march, we all got together the night before to watch "Unplanned," the movie based on the true life story of Abby Johnson, a woman who once served as a director of a Planned Parenthood clinic. While I had known the gist of what I was about to see, I was completely taken away. It's one thing to know what an abortion is, and yet a whole other thing to experience. Those 109 minutes became a pivotal moment in my life. Before that night, abortion was merely something I knew to be wrong. But after that movie, abortion became real to me.

That same Abby Johnson reflected upon this as well. During a convention a few years ago, she said, "For me, abortion is real. I know what it sounds like, I know what abortion smells like. Did you even know that abortion has a smell?"

To be continued next week...

Grades 1-5: We have Faith Formation classes on Monday, October 10th at 6:00pm.

A Day to Honor Mary: The Feast of the Divine Maternity of Our Lady is celebrated on Tuesday, October 11th. It is a day to think about Mary as she carried Jesus in her womb. Pray a rosary for all women who are carrying children in their wombs today. Pray for this sacred time for these mothers and ask Our Lady of Divine Maternity to help them throughout their pregnancies.

Faith Formation Grade 2: Thank you to Lynn Ladin and Rachel Simon for being the 2nd grade catechists this year. We have a large group of 2nd graders who are starting to learn more of their prayers. They are listening to stories about God's creation, learning about God's forgiveness, memorizing the Act of Contrition, and playing games that teach about forgiving others.

They will be receiving their First Reconciliation at our Communal Penance Service in December.
