## Weekly Words from The Rock

Celebrating the Four Female Doctors of the Catholic Church. To date, we have looked at two of the four female doctors of the church. This week I want to share with you the story of the third of our four doctors.

St. Therese of Lisieux was born the youngest of nine children (five who survived childhood). After her mother died when Therese was 4, she was raised by her father and older sister.

She knew that God was calling her to religious life at a very young age and was so determined to follow several of her older sisters and enter the Carmelite order that, during a papal audience while on a pilgrimage to Rome with her father, she asked the pope to grant her special permission to profess her vows early. Undeterred by his no, she entered Carmel at the young age of 15 and never looked back.

Therese struggled with scrupulosity and depression, but through it all she maintained a deep and childlike faith in the Father's love for her that would become the cornerstone of her great theological work. Under the order of the prioress, Therese wrote down her doctrine of faith, "Story of a Soul." It is this book, which preaches holiness through the ordinary combined with a fearless faith that allowed her total trust and surrender to God, that would later propel her to become the youngest of all the Doctors of the Church.

Therese died at the tender age of 24 of tuberculosis. She was canonized in 1925.

Go Figure

In an earlier column, I spoke of how the fall is my favorite season of the year. How has my fall been?

1. My brother bought a draper head for combining beans earlier this year. A friend of mine told me that I had to see it in action; they are the ticket when it comes to combining beans. The only problem? With overseeing Presbyteral Days in Okoboji and parish work, I haven't had the opportunity to see to get home. Last I heard, my brother was down to his very last acres of beans to combine so watching a draper head "strut its stuff" may have to wait until next year.

2. I have a contact regarding fishing. In the last text I received the walleyes, weren't biting where he lives. The water was still pretty warm. My guess is with the cooler temperatures the fishing will pick up. If it does, the only question is, will I be able to find the time?

3. How about hunting? To date, I haven't purchased my stamps so I can't legally hunt. Still, the last time I was home, I decided to drive down to our pond at home and see the sheer number of ducks. To no surprise, guess what? There is no water in the pond. It was the same story last year. We haven't had the rains the Rochester area has received. Even so, my brother scratches a duck while hunting from time to time. He sits in the duck blind we built on the pond and catches ducks flying from lake to lake in the morning. To my surprise, I woke up early the next morning to see how much shooting there would be in the area and a duck and goose flew right over our place. If I had my stamps and my gun, I would have made more noise than my brother (I never heard him shoot that morning). It just goes to show that you can't get anything staying in bed.

More reports as they come.

The Wisdom of Fulton Sheen

I have been reading a book entitled The Wisdom of Fulton Sheen. The book shares a thread of Bishop Sheen's wisdom for each day of the year. In the weeks ahead, I would like to share some of his wisdom.

May 2 – "Prayer begins by talking to God, but it ends by listening to Him. In the face of Absolute Truth, silence is the soul's language."

Till next week! Father Peter Schuster

## Deacon Book Study "*The Bible is a Catholic book*" by Jimmy Akin

Sunday November 13th will be our next meeting after the 8:30 am Mass for our book study, "The Bible is a Catholic book." All are welcome. We will be starting with our first chapter, looking at Oral tradition and how that came to be written in the bible. Then in following months, we will study more of the book and see how the Bible developed through history, how the Canon of the Bible was developed and the significance of these developments over time. I still have some books available. They can be picked up at the parish office. Feel free to come and get a fresh start on the Bible with a new perspective of just how we got the Word of God handed to us over time.

Catholic Charities of Southern Minnesota 2022 Baby Bottle Campaign ends Nov 30th. Please return your bottle before November 30, 2022. The Baby Bottle Campaign is sponsored by the Diocese of Winona-Rochester and Catholic Charities' Pregnancy, Parenting and Adoption Program. The purpose is two-fold: the money collected is used to help women residing in the Diocese to choose parenting or adoption rather than abortion. The campaign also raises awareness in parishes and schools about the services Catholic Charities provides to women and babies. The Baby Bottle Campaign is a perfect project to offer a real response to women choosing life over abortion.

## Michelle's

Music & Choral Director &  
Coordinator of Liturgy  
choirdirector@rescathroch.org

The last time I went to the Guadalupe Shrine in La Crosse, I wasn't planning on staying long. My foot was still injured and I felt exhausted. I therefore went straight for the confession line when I arrived at 11:40. At 11:50, I realized that no one had walked out of the confessional since I got there. At 12:00, those of us in line were wondering if there was even anyone in the confessional. At 12:14, Mass began with twelve people awkwardly standing off to the side, wondering what to do. Finally, at 12:15, a person walked out of the confessional, and the next person walked in. Thankfully, his confession was much faster—and by faster, I mean it only lasted 20 minutes. When Mass ended, the celebrant took pity on us and opened up another confessional. As I left at 1:15, I chuckled, knowing that my short trip took the same time, if not longer than my usual visits.

But the whole time, I asked myself why I continued to wait in line, especially when my foot gave me so much grief that I had to sit down on the floor. But my answer remained the same: I was and still am in need of Christ. Waiting for almost two hours to receive his grace is nothing compared to the mercy and salvation I find in our Savior, Jesus Christ. Even more heartening, I knew the others who waited in line felt the same way. Out of the twelve of us who waited in line, only two left early. Even a father and his two small children waited patiently for the mother to receive the sacrament she clearly and sincerely desired.

All of us are in need of salvation. We cannot find it without Jesus Christ. We all need to hear this, especially when we come up with excuses not to receive the sacrament of Reconciliation. In these times, I encourage you to remember this story and think about those people who stood in line beside me with no other desire than to receive his forgiveness. I am sure in that moment they would have done anything to receive it—can we all say the same?

**Volunteers Needed to Assist People with their taxes.** The Volunteer Income Tax Assistance (VITA) program helps low income clients to file their taxes and recover property tax and rent relief. If you enjoy working with computers and helping people, consider volunteering by contacting [RochesterTaxVolunteers@gmail.com](mailto:RochesterTaxVolunteers@gmail.com) for more information. Volunteers are trained in federal and MN taxes and will devote 4 to 16 hours per week from Feb 1st to April 15th. Training begins in December. This program is sponsored by Salvation Army, 125 Live, and with the support of United Way of Olmsted County. The service is made possible with a grant by the state of Minnesota. # Faith Formation

News from Stacey, Grades 1-5, Family Ministry, [dre1to5fm@rescathroch.org](mailto:dre1to5fm@rescathroch.org)

**Grades 1-5:** We have Faith Formation classes for grades 1-5 on Mon., Nov. 7 at 6pm.

**First Reconciliation:** Children who are preparing to receive their first reconciliation and their parents will be participating in learning centers on Monday, November 14th. Families can come anytime 4:00-7:00pm. Learning Centers will be set up in Zenk Hall and Room C and will take about an hour to complete. If you have not turned in your child's purple sac prep form, baptismal form, and fee,

bring them with you on Monday.

**Faith Formation Grade 4:** Thank you to Emily Spaulding for being the 4th grade catechist. The fourth graders concentrate on the beatitudes, works of mercy, and praying for others in a deeper way. Last week, they tied fleece blankets for those in need and will have the opportunity to make valentine cards for the elderly. During the year, a number of weeks are spent on the learning about how Moses received the Ten Commandments from God and how we are to follow them. The Ten Commandments are used as a guide to examination of conscience and receiving reconciliation during class time. The fourth grade learning centers in January are based on the Ten Commandments and we work to memorize them, too. Finally, we get to learn more about the lives of the saints every month and the virtues they practice.

News from Sheila, Birth-KG, Grs 6-12, RCIA, [dresscm@rescathroch.org](mailto:dresscm@rescathroch.org)

Resurrection Catechist, Tiffany Bell, an employee of Cascade Creek Memory Care Center, partnered with Sheila Pelowski and our Middle School Faith Formation and High School Confirmation Youth to decorate vehicles and hand out candy at our first ever Trunk or Treat Event. People of all ages enjoyed receiving treats and compliments on their fun costumes

as they paraded from vehicle to vehicle. The event was an overwhelming success! Thank you to all the volunteers! Enjoy a few pictures. *"Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and all the souls of the faithful departed, through the mercy of God, rest in peace. Amen."*
